Daikin Sky & VRV Air Condition Units AC - KNX Gateway Compatibility List

Daikin Sky & VRV AC KNX Gateway Compatibility List

In this document, the compatibilities of Daikin Industries air conditioners with ITR830-0003 are described.

Specified models in the document are referred **indoor units**. If the last user wants to operate an AC unit with a model number not specified in this document might not be compatible with ITR830-0003. Models should not be used without checking model compatibility. The user should contact with supplier for this. Moreover, we recommend the users pay attention to the possible updates of the document.

Compatibility Table

All of the models described in the table below are referred to only indoor units. If a model number is not specified in this list, please contact us for a compatibility check. Moreover, **xx** means the power of the indoor unit and if there is a “Y” at the model codes it shows that the unit is a heat pump unit otherwise it is just a cooling system.
