

# Intesis™ Samsung NASA indoor unit compatibilities

In this document the compatible Samsung models with the following Intesis™ RC interfaces are listed: / *En éste documento se listan los modelos Samsung compatibles con las siguientes pasarelas Intesis™ para RC:*

ORDER CODE	LEGACY ORDER CODE
INMBSSAM001R100	SM-RC2-MBS-1

The compatible **models** are classified by geographic areas and they always refer to **indoor units**, not references of indoor plus outdoor units. / *Los **modelos** compatibles están clasificados por áreas geográficas y siempre se refieren a **unidades interiores**, no referencias a unidades interiores más exteriores.*

Any AC unit with a model number not specified in this list might not be compatible with the interface and therefore can't be used without previously checking the model compatibility, contact your supplier for this. / *Cualquier modelo de AC que no esté en la lista puede no ser compatible con la pasarela y por tanto no puede utilizarse sin consultar la compatibilidad del modelo. Contacte con su proveedor para conseguir esta información.*

The information, contents and data of any kind contained in the pages of this document are reviewed before its publishing; however, HMS Networks cannot guarantee that it is absolutely free of misprints, typing errors, composition defects and equivalent problems, and we recommend the users pay attention to the possible up-dates of the document. / *La información, contenido y datos de cualquier tipo contenidos en este documento son revisados antes de publicarse; sin embargo, HMS Networks no puede garantizar que está absolutamente libre de erratas, errores de escritura o de composición, así como problemas equivalentes. Por este motivo recomendamos a los usuarios estar atentos a las actualizaciones del documento.*
